Software Engineering Intern  
QSI Corporation  
05/28/2008

**Job Number:** 11824  
**Job Location:** Salt Lake City, UT  
**Employment Dates:** to  
**Work Schedule:**  
**Salary:** $14-$19 / hr

---

**Job Description:**
QSI is seeking a Software Engineering Intern for its SLC location. This position will work full-time over the summer months and part-time beginning in the Fall. This is an ideal position to gain valuable experience as a member of our engineering team. This internship may turn into a full-time position upon graduation. This position pays $14 - $19 per hour w/excellent benefits.

**Qualifications:**
The ideal candidate will have at least a 3.0 GPA and be entering their Junior or Senior year in college majoring in Computer Science or a related field. The successful candidate must be proficient in one or more programming languages (C++, Java, C Sharp) and have the ability to develop, implement, test, and maintain validation code.

**Application Instructions:**
Email resume to: careers@qsicorp.com

---

**Application Deadline:** 06/27/2008
